Dear Agency Executive:

It is time to complete your 2017 on-line membership application for the North Carolina Police Executives Association and to submit your dues for the calendar year. The deadline for enrollment is March 1, 2017.

An agency membership permits you and all personnel holding a supervisory rank or higher to enjoy benefits that include savings in conference and training fees, eligibility for college scholarships for dependents of active members, legislative and training updates, legal bulletins, and networking with other members via the Association website.

It is very important to enroll both your agency and individual members online. This ensures that you will be included in our list serve as we share legal and legislative bulletins, training and conference announcements, scholarship application details, employment opportunities, policy updates, and so much more. Instructions and details for registration are included in this mailing on the adjoining page.

Should you have any questions regarding your membership for 2016, please contact Executive Director Wrenn Johnson at (252)240-0852 or at info@ncpea.org.

A handwritten signature in black ink, appearing to read "Jeff McCracken".

Chief Jeff McCracken

UNC-Chapel Hill PD

President, NCPEA
